

St. Louis Magazine's *AT HOME*
is proud and pleased to bestow upon
**Gannon Painting
and Decorating Co.**

"The Hero Award"

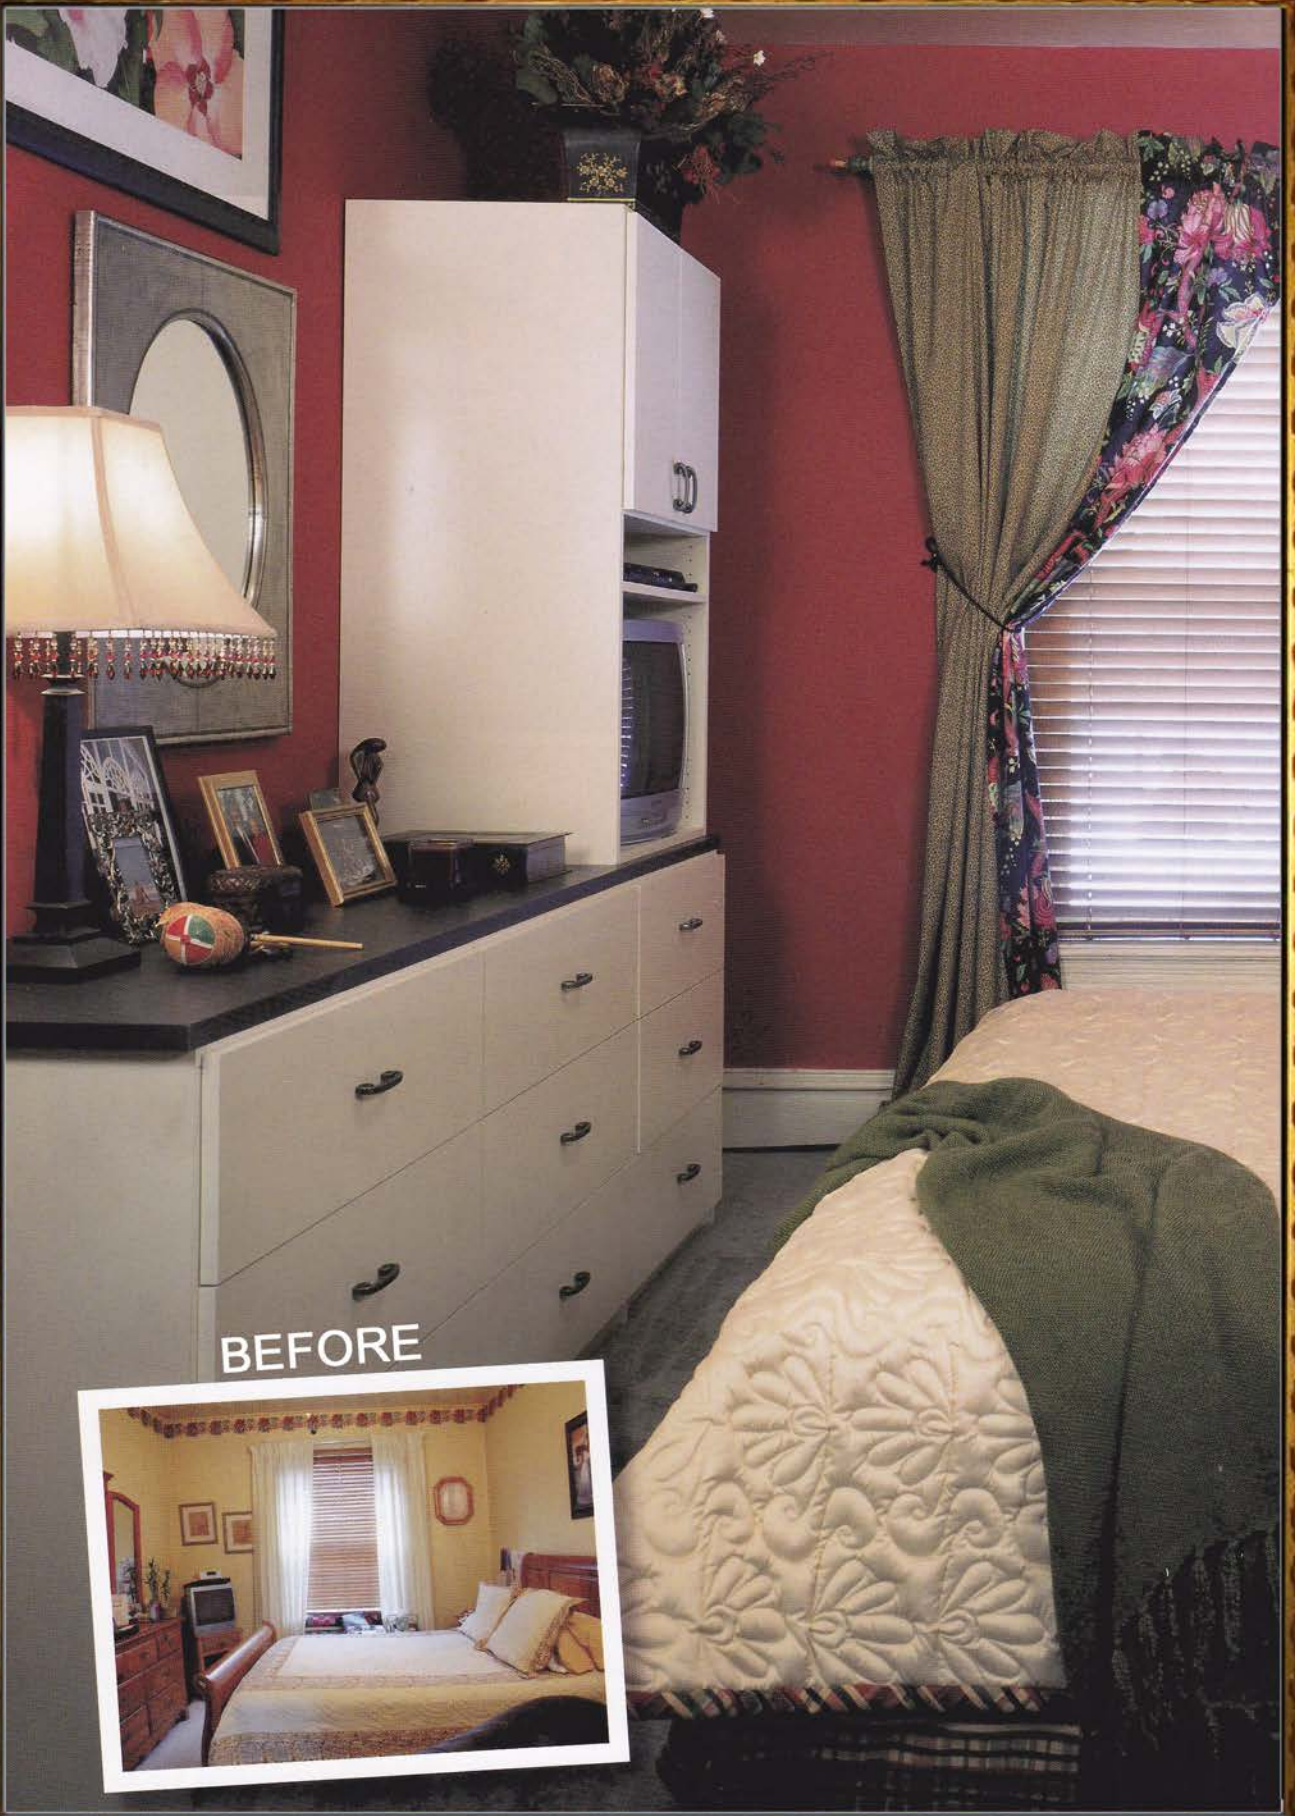

For your generous donation to the Done in a Day makeover of one very kind and wonderful woman, Lena Randle, who is dealing with advanced lung cancer. Your painting went a long way in turning her room into a sanctuary that makes her smile. Thank you so much for being so kind.

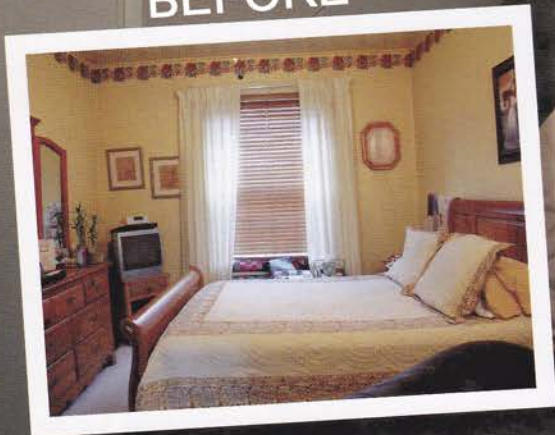

All the best,
Christy Marshall
